Ground Water Awards Program Nomination Application

Applicant Name: _____

Applicant Phone: _____ Fax: _____ E-mail: _____

Nominee Name: _____ Title: _____

Additional mentionable partners: _____

Nominee Address: _____

Nominee Phone: _____ Fax: _____ E-mail: _____

Applicant Signature: _____ Date: _____

By signing this application, you attest that the content provided herein is accurate to the best of your knowledge.

1. Indicate the type of benefit(s) provided to the Ground Water Resource:

- | | |
|---|---|
| <input type="checkbox"/> Water Conservation | <input type="checkbox"/> Pollution Prevention |
| <input type="checkbox"/> Recharge Area Protection / Preservation | <input type="checkbox"/> Public education and community outreach |
| <input type="checkbox"/> Aquifer Preservation (including use of the Columbia/surficial aquifer) | <input type="checkbox"/> Research / Publication that Improves Understanding and Management of our Groundwater |
| <input type="checkbox"/> Recycling / Reuse | |

2. Where has/is/will the activity taking place (e.g.; 911-address, parcel number, University, organization, etc.)?

3. Describe in detail the measures taken to achieve the ground water resource benefit (attach documentation as appropriate). The benefit should exceed minimum Local, State, and Federal regulatory requirements (e.g.; if the applicant has a Ground Water Withdrawal Permit, the Water Conservation Measures should exceed the minimum required under the VDEQ regulations). Please include drawings, designs, or photographs as appropriate.

**Note: Contents of this application may be used in drafting language of a press release should the applicant be chosen to receive the Ground Water Award.*

4. Describe the progress of implementation to date and intentions moving forward.

5. Describe the plan to expand implementation and to maintain the benefit(s).

6. Indicate accomplishments in employee awareness, community outreach, and assistance to peers relevant to groundwater resource protection and preservation.

7. In what capacity do you know the nominee? How are you aware of their efforts?
