May 4, 2021

This meeting was at the pavilion in Sawmill Park. Attendees: Marilyn Ailes, Dirk Lynch, Betty Martin, Paul Muhly, Pedro Baez

The meeting was called to order at 12:10.

The minutes of the April 14 meeting were approved.

Old Business:

- a. The essay contest has been moved to fall, both to keep a contest in CY2021 and to avoid coinciding with the litter survey. A prompt was discussed and approved.
- b. The regional household hazardous waste center is waiting for the delivery of construction materials. Delay is expected because of the price of construction materials at this time.
- c. A vote was not taken due to the absence of key personnel, but no one present wanted to rebrand WasteWatchers.
- d. Clean the Bay Day/Great American Cleanup will be Saturday, June 5th from 9am to noon at Exmore Park. The rain date is June 12th. Jessica Steelman and Tori Spence are coordinating this important event.
- e. The secretary position remains open.

New Business:

- a. Betty Martin will be attending the Big Share meetings.
- b. An ad for the Post to invite new members might be effective as pandemic restrictions lift. It was suggested that Carol Vaughn be contacted about an article for the paper on litter enforcement and covering truck loads. Litter has increased nationwide due to the pandemic.
- c. For the GreenWorks Committee, Dirk Lynch was chosen as Chairman and Marilyn Ailes as Vice Chairman. Two other members are needed.
- d. It was agreed that the next meeting should be at Sawmill Park at noon on June 9. GreenWorks can meet at 1.

The meeting was adjourned at 13:10.
